Predict 87% County Vote Turnout At Polls Tuesday

Approximately 87 per cent of San Mateo County's 185,437 registered voters are expected to flock to the polls in next Tuesday's general election, according to County Clerk John A. Bruning.

The county total is 30,000 higher than four years ago, when 90 per cent of the voters participated in balloting, Bruning reported.

Demo Edge

Democrats enter Tuesday's showdown with a margain of 5809 voters as county registration figures show 93,066 Demos and 87,257 Republicans. The current Democratic margin is much wider than in both the 1952 and 1954 elections. According to Bruning, Democrats have made gains in north county and Republicans in south county.

Other party registration totals: no preference, 4667; miscellaneous, 386; Independent Progressive, 45, and Prohibition, 16.

Locally, Daly City's 66 precincts expect to handle 15,338 voters—9569 Demos and 5347 GOP. Two years ago Democrats led by a margin of 3443.

In Colma, Republicans maintain a slim edge of 81-72. Their advantage in 1954 was 74-68.

Coast Figures

Coastside registration (Pedro Valley and Sharp Park precincts) numbers 6620. Pedro Valley's total is 2655 Demos and 1098 GOP, and in Sharp Park Democrats lead 1984-792. Overall, the Coastside lists 4639 Demos and 1890 GOP voters.

In addition to the Eisenhower-Stevenson test, voters will decide on four hotly-contested local races, 19 state issues and three county propositons.

Sharing the spotlight is the fight for the U. S. Senate seat between GOP Incumbent Thomas H Kuchel, 46, and Richard Richards, 39, Democratic state senator from Los Angeles county.

HELEN MASINI, wife of Daly City's farming planning commissioner, TONY, made a sale of four bunches of radishes at Farmer's Market last week, but the deal wasn't swung until the customer had given the merchandise a thorough going over.

The buyer emerged from a block-long chauffeur-driven limousine and inspected the produce with almost professional concern before buying.

The customer was Ex-SF Mayor ELMER ROBINSON . . . a real radish man.

Supervisor THOMAS CALLAN and his charming wife, ELIZABETH, would like to get away from it all temporarily for a trip to Ireland. Mrs. C. said she heard they might take the trip. . . . Tom mentioned it casually at a recent board meeting. Otherwise she has no particulars.

All's quiet on the municipal fronts in all of San Mateo county's cities this week, with the exception of Colma.

All of the city father's and administrators have been attending the League of California Cities convention in Los Angeles.

But in the little town of Colma, the governing body stayed home.

"We haven't got enough money," lamented Mayor EARL TAYLOR.

A SLICE OF $140,000

Unbelievable, Says Wife Of Sweepstakes Winner

Kenneth Back, Sterling Park subdivision resident, bought one-third of a $3 sweepstakes ticket earlier this year and found out yesterday that he now owns one-third of $140,000.

Kenneth, 508 C street, Colma, an insurance company employee, went along with his dad, Claus E. Back, and brother, Claus Back, Jr., on a $3 ticket for the Cambridgeshire Handicap in Newmarket, England.

They held a ticket on Loppylugs, a 100-7 horse that romped home half a length in front of Hafiz II.

The ticket returned the tidy sum of $140,000.

The senior Back has been buying the $3 sweepstakes tickets every year, then selling each of his sons a third share in it for one buck. They never came close.

Each of the Backs will realize about $25,000 after taxes.

Contacted at her home today, Mrs. Kenneth Back, mother to two children, said, "It's unbelieveable."

She said Kenneth was called at his office Wednesday morning and told about the windfall but wouldn't believe it. When he finally discovered the information to be true, he called his wife, Irene, "and I wouldn't believe it," she gasped happily.

Kenneth went to work as usual yesterday at his job as a fire underwriter for a San Francisco firm.

Irene couldn't make it to her job for the excitement.

But she probably wouldn't object if the boss docked her a day's pay.

Lawrences Enroll Son In SF Class

Frustrated when trustees turned down an appeal to have their "under-age" son readmitted to the first grade here, Mr. and Mrs. Harold Lawrence, 598 Niantic avenue, this week enrolled the youth in a San Francisco private school.

The youngster's father told THE RECORD the family also decided to move from Daly City as a result of the incident. "We actually can't afford these private lessons, but it's the only thing we can do under the circumstances," he said.

The Lawrence child was ordered to withdraw from Woodrow Wilson school in September when the school registrar discovered an error in enrolling the boy. The child lacked more than two months of attaining the minimum age of 5 years and 9 months on September 1, but was mistakenly promoted from kindergarten.

The parents charged that the district's action in removing the boy from school caused him "severe mental and physical problems."

Trustees, however, acting on the advice of the district attorney, voted 3-0 to deny readmission, claiming that state funds to educate the youth could not be obtained since the boy did not meet state requirements.

Husband Plunges Through Window In Family 'Spat'

Albert C. Baccoro, 32-year-old typewriter repairman, was arrested here Saturday night on a charge of disturbing the peace after he dove head-first through the kitchen window of his home during a spat with his wife.

Released on $50 cash bail Sunday morning, Baccoro is scheduled to appear in municipal court on Tuesday, November 13.

Officer Jerry Galindo and Sgt. Dean Wood were summoned to 656 Florence street by Mrs. Baccoro, who said her husband was "acting up." When they attempted to escort him to a motel to "cool off," they said he became belligerent, pushed them away, and rushed up the front stairs of his house "screaming at the top of his voice."

Once in the house again, Baccoro ran into the kitchen and plunged through the window pane. Police took him to the station in handcuffs and treated him for minor cuts on the left arm.

ARREST JEFF GIRL ON CURFEW COUNT; SOCKS HER MOTHER

A 15-year-old Jefferson High School student was arrested and taken to Hillcrest Juvenile Home early Saturday for violating curfew after she told police she "didn't want to remain home."

The juvenile's mother said the girl struck her for refusing to allow the youngster to cut classes this Friday in order to attend a movie premiere in San Francisco.

Officers said the girl had experienced numerous troubles recently with her parents.

DC SCAVENGERS HINT TWO NEW SITES POSSIBLE

Attorney for the Daly City Scavenger Co. revealed today that he was working on "two possibilities that would assure us a dump site within a short time."

Conrad Reisch, representing the scavengers, said he preferred not to elaborate on whether this meant the company was negotiating for sites other than the one presently proposed on the Bernardi ranch near Linda Mar.

Otherwise, the hotly-debated garbage issue remained unusually quiet this week. County supervisors are scheduled to hold a special meeting with representatives of Daly City, South San Francisco and San Bruno next Thursday, Nov. 8, to discuss formation of a garbage assessment district.

At that time, supervisors will also reconsider petitions containing more than 4000 signatures of persons urging the board to approve scavengers' application for use of the Bernardi site. They continued the matter two weeks ago.

Reisch said he thought the garbage district proposal had little chance of winning approval. "But we're standing pat until that meeting," he added.

Meanwhile, the Daly City garbage company is still dumping on the McKeon Skyline site, under permit subject to revocation on 30 days notice.

CSM TRUSTEES SPEED CITIZENS' ADVISORY GROUP

A special meeting of the College of San Mateo Board of Trustees was held Monday to push the organization of a Citizens' Advisory Committee as suggested by Superintendent Julio L. Bortolazzo at their regular meeting on August 1.

In accordance with this action, J. Hart Clinton, San Mateo Times, and James A. Wood, Burlingame Advance Star, conferred with the trustees Monday on the relationship of the committee to the board.

The 25-member committee will be a fact-finding and fact-evaluating group to study the problems on the 19th avenue site and basic issues concerning master plans for the future.

Trustees are authorized to take action on the committee's recommendations, either by accepting or rejecting them in whole or in part. The board passed a resolution pledging complete cooperation with the committee.

Trustees also approved a list of representative citizens covering geographic areas within the junior college district. Invitations to serve will be sent to these people. Among 27 nominated were A. J. Gaggero, Lyal Ingersoll and Peter Markovich of Daly City, Al Dunn of Half Moon Bay, and Don Miller of Sharp Park.

Chairmen Clinton and Wood anticipate the study by the Citizens' Committee will require three to four months, with meetings scheduled twice monthly.

'Quiet' Halloween Here Except For One 'Tricker'

Daly City residents observed an "abnormally quiet" Halloween night Wednesday except for one local grocer who successfully fought off a dead-serious "trick or treat" armed robbery attempt.

Clerk John Madgidson of the Castle Garden grocery, 202 School street, told police a man masked in Halloween garb entered his store about 7:20 p.m. while he was waiting on customer Ida Perada, 74 Station avenue.

"Trick or treat, this is a stick-up, so give me your money," demanded the suspect, flashing a cloth-concealed weapon in Madgidson's face. Mrs. Perada, thereupon, ran from the store as the robber shouted for her to return.

When the suspect reached behind the counter to open the till, Madgidson attempted to grab the gun, causing the bandit to flee south down Station avenue.

Madgidson told officers the intruder apparently was on foot since no automobiles were in the area.

Minutes afterward, police learned via radio that a robber matching the same description had just raided a store at 5800 Mission street. Authorities were still searching for the culprit at press time.

Other than this incident, juvenile vandalism here was about on a par for Halloween. No major damages were reported by store and homeowners, although some youngsters smeared "a little paint and splashed a lot of liquid," according to Lt. Roy Beecher. "There were surprisingly few reports of soaped windows," he added.

In Broadmoor, seven "slightly tipsy" teenage youths were released to their parents after being booked for violating curfew. Chief Ray Savage said the youths were picked up on Dunk street and officers found five quarts of beer in their car.

Savage reported there was no property damage in the area and "not much" window soaping. "We stopped a five-man band of potential egg and tomato tossers before they got a chance to perform," he concluded.

Twenty Daly City policemen and 14 in Broadmoor were on duty Wednesday night to "handle all emergencies."

Peninsula Bus Awarded Five-Cent Fare Increase

The California public utilities commission Tuesday authorized abandonment of portions of several routes of Peninsula Bus Lines operating between South San Francisco and unincorporated territory in San Mateo county, and the extension of one route.

At the same time fare increases and decreases on some routes were authorized and orders were issued to the operator, A. E. Ryan, which are intended to improve service.

The fare structure authorized was modified from that requested by Ryan to provide a more uniform and less discriminatory fare schedule. Children's fare and those locally within San Bruno, South San Francisco, Brisbane and Daly City remain unchanged. Only increase was in fares between Daly City and Colma, Colma and South San Francisco, South San Francisco and San Bruno, San Bruno and Air Lines Base, Brisbane and Bayshore, which were raised from 15 to 20 cents. A five-cent reduction in fares was made for service between Colma (excluding Holy Cross Cemetery) and South San Francisco, from 25 to 20 cents for adults and from 15 to 10 cents for children.

Engineers estimated the authorized fares would result in a net income to Peninsula Bus Lines, after income taxes, of $1400, a 10.5 per cent rate of return.

At the same time Ryan, operator of the bus lines, was admonished to operate over all the routes for which he was granted a certificate, but only over such routes. He was told to make available on all buses accurate timetables, showing the exact service performed. He was ordered to post scheduled departure times at various loading points for the convenience of patrons, and to make continual effort to improve the cleanliness and mechanical operation of his buses.

The order becomes effective in 20 days.

Probation For Youth Who Killed His Pal

Charles Hanley, 16-year-old Daly City boy who accidentally shot and killed his best friend here October 13, was admitted to probation in his own home by Superior Judge Aylett R. Cotton this Thursday.

The boy had been held on an involuntary manslaughter charge.

Pleading on behalf of leniency for Hanley were Mr. and Mrs. Kenneth Burch, 255 Abbot avenue, step-father and mother of the victim, Everett Kimes, 15.

The probation will be for an indefinite period, probably until Hanley reaches 21 years of age. He lives at 382 Willits street.

County Reported Eyeing Colma Site For Health Center

The county is reportedly eyeing a two-acre site in Colma that would be the location for a north county health center, County Manager E. R. Stallings said this week.

The site is on Old San Pedro road south of Broadmoor Village and adjacent to the PG&E service yard on Edgemar road.

Stallings said the site would be "far better" than the one offered the county by South San Francisco.

PLUMBER PLEADS NOT GUILTY TO NARCOTICS COUNT

William Melville Lyman, 23-year-old Daly City plumber, pleaded not guilty in superior court Monday to possession of narcotics.

Superior Judge Murray Draper set November 26 for his jury trial. The suspect is being held at county jail in lieu of $10,000 cash or $20,000 bail.

Lyman was booked here two weeks ago after officers said a marijuana cigarette was found atop a water heater in his apartment, 6231 Mission street. The discovery was made late in September by San Francisco police who were holding Lyman on a charge of car theft, which was later dropped.

In other action Monday, Draper sentenced William Gibson, 34-year-old San Francisco shipping clerk, to six months in county jail for theft of $1196 in tools from a Westlake construction shed June 23.

Sales Tax Session Set Next Wednesday

The municipal one-cent sales tax, subject of bitter debate in San Mateo county in recent months, will be discussed next Wednesday at a joint study session of the city council and the Daly City Chamber of Commerce.

Dredging Progress Wiped Out

Lake Merced drainage channel, which handles the storm runoff from Daly City and Broadmoor, was choked with tons of silt during Tuesday's rains, obliterating $9700 worth of dredging work recently undertaken by U. S. Army Engineers.

Source of the excess dirt has not been determined.

The six-foot deep channel south of Lake Merced, which carries off storm waters from this area, was reported one-third to one-half full of silt today by City Engineer Cyril Weiler.

Modern Excavation Co., awarded a $9700 contract by Army Engineers last month to clear the channel of silt, had practically completed the project when the rains came, undoing all their work.

Prior to work by the excavators, the channel had been filled with silt up to one foot from the top, seriously impairing Daly City's drainage.

Emergency Funds

Requests by Daly City for aid resulted in allocation of funds from the emergency flood control act.

Weiler rushed a letter by special messenger today to Monroe Handlen of the engineering division of the U. S. Army to determine if Modern Excavation Co's contract could be extended or if further federal funds could be obtained to repair the damage.

If both these appeals fail, the city may have to finance the costly dredging.

The contractor has discontinued operations until it is determined if his contract will be extended to include dredging the tons of additional silt. Weiler said prior to the rains the project was virtually completed and the contractor could not be held responsible for removing the additional material.

Can't Find Source

"There's no way to determine how it happened," said Weiler. "We looked for evidence of erosion in the watershed but could find none."

Asked if there was any possibility of recurrences in the clog-up, the enginneer admitted, "We couldn't guarantee it wouldn't happen again. We're doing everything we can to locate the source."

If the drain becomes completely filled with silt, it could cause Daly City's storm sewers to back up and overflow, Weiler reveal-

TRASH-DUMPERS GET STIFF FINES IN MUNI COURT

Dumping trash on Skyline boulevard two weeks ago brought stiff sentences in muncipal court this Thursday for five men.

Given a choice of 10 days in jail or $50 fines were Jerome Pahl, 376 Monterey street, Sharp Park; Johnny Yoshii, 1526 Octavia street, San Francisco; Paul J. Churchwell, 50 Oakmont drive, Daly City; Robert J. Hinzle, 1570 Bryant street, Colma, and Joseph H. Wilson, 2638 Eleventh avenue.

Yoshii and Wilson also were ordered to two hours' cleanup duty by Judge Thomas L. Bocci.

Carl Ludwig, 4353 Anza street, San Francisco, pleaded not guilty and his case was continued to next week. Another alleged dumper, Albert W. Gonzales, 97 Mirabell avenue, San Francisco, did not appear and is subject to warrant.

Stanley Huck, car dealer of 1625 Mission street, pleaded guilty to possession of a registration card and failure to deliver same to a transferee. His sentence of 60 days in jail was suspended on condition he pay a $100 fine and make restitution of $852 to the state department of motor vehicles.

Continued for plea next week was the case of Robert Miller, 32, of 6 Bismark street, charged with shoplifting 6 pairs of nylons from King's Market on October 22.

Younger of San Mateo against Democrat James T. McKay, Broadmoor tax editor, for the 9th District congressional post.

Former State Assemblyman Richard J. Dolwig, 48, is up against Democrat Harold G. Robinson, deputy director California Department of Justice, in an expected tight finish for state senator in the 21st District.

State Assemblyman Louis Francis, GOP incumbent in the 25th District, will be challenged by Democrat Howard Hartley, 47, chief deputy district attorney for San Mateo county.

Oil Proposition

Key concern among the 19 state issues centers around controversial Proposition 4 on oil and gas conservation, and the $100 million school bonds amendment.

Interest is at high pitch on county charter amendments A and B, which would give the board of supervisors full authority to regulate the civil service commission's hiring and salary procedures.

Polls will be open from 7 a.m. to 7 p.m., as usual.

'BEAR TRACKS' GETS XMAS DINNER DATE IN COUNTY POKEY

Henry Mack, 31, alias "Bear Tracks," made his Christmas dinner reservation early in municipal court Tuesday when Judge Thomas L. Bocci greeted him the 20th time on a drunk charge.

Booked here earlier in the day, Mack was ordered to spend the next 60 days in his favorite sanctuary—the county jail.

Bocci renewed their friendship with, "Well, Henry, I guess you had better go back for a longer stay this time. It will give you time to read a little Shakespeare and to rehabilitate yourself."

"Thank you, your honor," exclaimed Mack, "I'll see you later."

ed. But he estimated that in heavy rains there would be sufficient water pressure to carry the runoff from Daly City to the channel. From there, he added, the water might overflow on Lake Merced boulevard and into the lake.

The channel, 15 feet wide, six feet deep and eight-tenths of a mile long, is fed by a 5 x 7 foot box culvert from Daly City's drainage system.

City Liable?

The channel property belongs to City of San Francisco, but is fed almost entirely by Daly City. "This makes it awkward," Weiler explained. "Ultimately the city might have to pay for the exvavation if the contract isn't extended or more funds allocated from emergency flood control money."

Weiler said speed was of the utmost importance now before the heavy rains start. "We want to avoid calling for new bids if we can," he said.

Weiler said Handlen had agreed to contact him immediately upon determining if federal funds were available for the job.

EXPECTANT MOM, 31, FAILS SUICIDE TRY BY PILL OVERDOSE

A 31-year-old expectant mother was unsuccessful in an attempt to end her life here Monday morning by an overdose of sleeping pills.

Police rushed Mrs. Virginia Fanucchi, 254 Abbot street, apartment 4, to Junipero Serra hospital after finding the woman unconscious in her home. She was later transferred to Community hospital under care of her family doctor.

Officers were summoned to the scene by Shirly Porter, 143 Bismark street, former sister-in-law of the near victim.

AILING SF STATERS EYE REDLANDS WIN; SKID IN FRESNO, 28-0

Pitted against someone their own size for a change, Joe Verducci's San Francisco State Gators expect to be rude hosts Friday night to Redlands University in Cox stadium. Kickoff is 8 o'clock.

Sliced thin by injuries, the Gators skidded to their fourth loss of the campaign Saturday night to potent Fresno State, 28-0. The Bulldogs, 4-1 to date, bulled to a 14-0 halftime edge, then crashed for two more tallies while checking state's feeble advances. Fresno's John Steinborn accounted for two touchdowns and four extra points in the landslide.

Verducci's squad is 2-4 for the season, having whipped San Quentin and Nevada, while losing in other scraps to Cal Poly, San Diego State and Humboldt State.

21 Santa Cruz avenue, this week appealed to the community to be on the lookout for their eight-month old Staffordshire Terrier, "Billy," missing since Sunday after he escaped out an unlocked gate.

Normally a lost dog (unlike the man bite dog bit) would not be news.

But the pedigreed Pilgrim puppy (he weighs 63 pounds) has never been out of the house and belongs to the "pit bull" family of canines that are strictly homebodies and need the love and care of domestic life.

In addition, neighbors reported that as the animal made his exit from the home, he was hit by a car, suffering a gash on his head.

The Pilgrims three children are all broken up, and mom and pop probably feel just as bad. So if you should spot "Billy," get in touch with the Pilgrims.

SAVE CIVIL SERVICE
★ PREVENT RETURN OF SPOILS SYSTEM
★ MAINTAIN EFFICIENCY IN GOVT.
★ PREVENT WASTE OF TAXES
Here are the Facts on A & B:
Fourteen years ago, San Mateo County citizens, by a 2 to 1 vote, placed county employees under a Civil Service system, administered by a non-political Civil Service Commission. They acted to end an era of waste and political favoritism during which the Board of Supervisors had charge of county employment.
Now the Board of Supervisors, seeking to manipulate the $6,000,000 county payroll again, has submitted County Propositions A and B for a vote at the Nov. 6 election. The two propositions would give the Board control of county jobs again and restore the era of waste and political favoritism.
As a citizen you can block this last-minute attempt to put politics back into County Civil Service. You can block it by voting "NO" on County Propositions A and B on Nov. 6. Tell your friends to vote against these dangerous propositions, too.

TIME TO STOP SALES TAX MOMENTUM

The municipal one-cent sales tax is gaining momentum, we are told by its backers from southerly cities in San Mateo county.

Two months ago, chances of the special levy being invoked here looked remote, meeting opposition on every front.

But the "divide and conquer" tactics are paying off as the tax proponents continue to add friendly cities to their cause. The number of cities now officially endorsing the extraordinary tax is five.

Daly City would make it six and the addition of another municipality would give the sales tax cities a majority in the county.

After that it will be just a matter of time until this entire county falls prey to this offensive tax.

Citizens of Daly City must, therefore, provide a bulwark against the tax by uniting in opposition.

The Chamber of Commerce has already lined itself up against the measure but will confer next Wednesday with the council for further information. We urge them to stick by their guns.

C.O.S.T., Committee Opposed to Sales Tax, has carried on an admirable battle against the tax, but they can't do it all alone.

The job requires united efforts of the citizens. Apathy is the sales tax instigators best friend.

We do not feel a one-cent municipal sales tax is just. We do not feel it is warranted.

While the property tax has its inequities, it has been devised as the best possible method of spreading the tax burden. Citizens have reasonable control of their property taxes through election of governing bodies who set the tax rates.

If property taxes become exorbitant, the ruling bodies of the various taxing entities must account to the people. But the sales tax is a static levy that cannot be altered in any manner but upward.

While some of the sales tax backers may be sincere in their belief that the levy will improve the lot of cities, they are sadly deluded in our opinion.

It is up to citizens of Daly City and other communities to display what we think will be overwhelming sentiment against this abhorrent form of taxation.

JEFF JOTTINGS

The fall session of the Peninsula Athletic League Conference, with Half Moon Bay serving as the host school, will be held this Saturday at San Mateo High school. Sixteen members of the Executive Board will attend and participate in discussions in eight various categories pertinent to school functions and activities.

Representing Jeff will be Ron Moon, George McNutt, Sandy Enloe, Florence Verducci, Phil Delucchi, Lee Casentini, Mike Wedlake, Pat Kennedy, Vicki Tomasi, Ethel Shaw, Beth Brownlee, Ray Navarra, Edyth Guidry, Arlene Storm, Bill Martin and Alda Caggiano.

Play Rehearsals

The fabulous Sheridan Whiteside, in the person of Bruce Freelane, has been blasting and roaring abuse, invective and insults upon the rest of the Jefferson high school company during rehearsals for "The Man Who Came to Dinner," the uproarious comedy by George S. Kaufman and Moss Hart, which will be performed "in the round" on November 15 and 16 in the auditorium. Title of the play refers to Mr. Whiteside, a lecturer famous for his sugary literary tastes and carbolic disposition, who tosses off words as if they were no more than hand grenades. Plays "in the round" have become a favorite form of entertainment at Jeff, and this intimate type of staging lends itself admirably to this sophisticated modern comedy.

Annual Editors

Bill Marten and Barbara Bauer have been chosen by the Annual Class to lead the staff in the production of this year's Tom Tom.

Sandy Enloe and Alda Caggiano, editors of the school paper, attended a press conference conducted by newspapermen in San Mateo last Tuesday. Representatives of the dailies and weeklies in San Mateo county interviewed leading specialists and other officials to obtain information relative to the two subjects for this year's Press Project: "What's Needed To Defeat Tuberculosis," and "Careers In Health."

Skating Shindig

Members of the Spanish Club, accompanied by their advisor, Mrs. Van Note, had a skating party at the Rolladium in San Mateo two weeks ago. Present were Edyth Guidry, Mike Wedlake, Johanna Hedvall, Vivien Rogers, Barbara Ohlendorf and Mary Jean Stevens.

Activity reigns in the dramatic department as Miss Eunice Seaton's enthusiastic students study creative acting and work on the play, "The Man Who Married A Dumb Wife." In addition, the Public Speaking class has organized into a club and now is known as the "Spirited Speakers."

LETTERS TO EDITOR

'Amused' Asks How Many Will Be Heard At McKeon Hearing

Dear Editor:

Your editorial in the October 25 issue struck me as very funny. Apparently you have not read the legal notices you have been publishing.

Perhaps you did not notice the wording of the second paragraph of the notice you published on Page 6 in the September 27 issue. How many people will be allowed to be heard at the meeting scheduled for November 12? What good will it do them to go down to City Hall and scream their heads off?

You might talk to an attorney and find out the same thing we found out when the first tract was annexed. I imagine the legal notices should be in your files, and it shouldn't be too hard to piece the rest of the story together.

Amused,

Mrs. W. H. Beck

TV and Radio

PTA MEMBERS TOUR KGO . . . "Straighten up, girls, this is good posture week," called out dynamic Jack LaLanne, star of KGO-TV's morning exercise show, as PTA Radio and Television unit chairmen watched his show being telecast during a tour of KGO's spacious television center. With Pat Younger, of the publicity department as guide, the PTA group from Northern San Mateo county last week visited all departments from the basement floor to the top of the five story building. Their first stop was the art and film department where they watched film being edited. Then on to the art and scenery department with row after row of props and scenery stacked from ceiling to floor.

Next in the tour was the radio department where the group was taken right inside the control room, and watched an actual broadcast. Then on to the news department with the continual clatter of the teletype machines.

Next in their tour was the television control room which was one of the most impressive departments that they visited. The control room is a maze of equipment, television screens, and other technical equipment. As they entered it was a beehive of activity as the technicians and director were busy sending the Jack LaLanne show over the TV lanes. First they watched the program on the screen in the control room, then on upstairs into the studio where the program originated. The last part of the tour included the large studios which are spacious and completely equipped with lights, technical equipment and props all ready for the next live telecast.

This tour was a wonderful way to acquaint the PTA chairmen with what goes on behind the scenes. According to Mrs. Edward Goldkuhl of Westlake, 17th district chairman, "This tour makes us less critical of television and radio programs when we realize how complicated the mechanics are."

Radio and television chairmen are an important part of all PTA units. They keep informed on television and radio programs, particularly children's shows, and bring the information to their groups.

To learn more about the importance of PTA in our community, plan to watch "Success Story" on November 8 at 7 p.m. over KGO-TV, when the noted bay area television program will feature the story of PTA in a dramatic live telecast from the studios of KGO-TV.

TV TOUR—North county PTA women learn about intricacies of video during recent guided tour of KGO television center. Pictured (left to right) are: Mrs. Edward Goldkuhl of Westlake, radio and TV chairman of 17th district, CCPT; Mrs. Ray Monson of Daly City, radio and TV chairman of Colma PTA; and Mrs. G. H. Boyd, Linda Mar, radio and TV chairman of Pedro Valley PTA. Giving out with the information is Nick Hamil of the KGO-TV art department.

Two For Tonight

By Leonore Brewer

Carmen Amaya, one of the world's great Flamenco dancers, together with her company of singers, dancers and musicians, will play a one-week engagement at the Curran, beginning Monday, October 29.

This is a performance that should be seen before written about. There is so much color and vitality to Spanish dancing that some of the fire and glory is rubbed off on a reviewer. Next best thing is to have seen the company the previous year.

Since this is Amaya's first appearance in this country in ten years, the best we can do is to read the glowing eastern reviews that speak eloquently of the excitement that great Spanish dancing arouses. They refer to her as a whirlwind, a smoldering personality that burns up a stage.

Outstanding Guitarist

Eastern reviews also speak highly of her company and mention is made of her costumes that have been created by the finest European and South American designers. Featured is Sabicas, an outstanding Flamenco guitarist.

Amaya was once booked for a four-week tour of Mexico which extended to eight months, and in Buenos Aires a theater was built for her, after her amazing success in that city.

Great dancing of a different sort can be seen at the Bridge Theater, where the Russian film, "The Ballet of Romeo and Juliet," opened last week. Photographed in color, it is the first complete filming of a full-length ballet, performed by a company which has received the most fantastic praise and starring Galina Ulanova, the pride of the Bolshoi Ballet.

Youthful Juliet

Ulanova is everything that we have heard, and portrays Juliet to perfection, gay, youthful, ardent, fearful and finally despairing. In long shots, she is remarkably like Danilova.

"Romeo and Juliet" is not merely a photographer stage production. It moves across the streets and squares of Verona, into a great banquet hall, to the quiet study of a friar and down into the tomb of the Capulets.

The miming at times is too broad, Romeo has a rather wooden expression and Mercutio takes a ridiculously long time to die, but nothing obscures the fact that this is a fabulous company, with male dancers capable of the most extraordinary leaps, turns and lifts. The Bolshoi Theater may someday visit the United States. It would be wise to see them on film before you see them in person. Otherwise, you might not be able to stand the shock.

BOOK SEWER WORKER FOR DRUNK DRIVING ON MISSION STREET

Wayne G. Dillaboy, 20, a sewer worker of 138 West Market street, was arrested here early Saturday morning on a drunk driving charge after his car allegedly perilled southbound traffic on Mission street.

Officer Phillip LaBruzzo said he was on routine patrol when Dillaboy's erratic driving in and out of lanes forced the patrol car and other motorists to the curb and into the path of oncoming traffic.

Dillaboy admitted having "five drinks," and subsequently flunked a sobriety test at Junipero Serra hospital.

He was released on $1000 bond and is scheduled to appear before Municipal Judge Thomas L. Bocci next Tuesday morning.

MEETING recently with world-famous Beniamino Bufano (right) for a discussion on sculptoring was Mrs. Helen Cordell, Jefferson Elementary School District art supervisor. Bufano's most recent triumph was unveiling 11 of his famous animal statues at Hillsdale Shopping Center.

CITY WITHHOLDS $66.90 SALES TAX AS POSSIBLE 'GIFT'

A total of $66.90 in municipal sales tax is being withheld from suppliers in Oakland and San Francisco by the City of Daly City because the payments may constitute a "gift of public monies."

The director of finance's office reported that the payment of one cent of the total four-cent state-collected sales tax is being withheld pending clarification from the state attorney general's office.

Prior to this year, city purchases made outside San Mateo county were not taxed with the local one-cent lien, but the board of equalization has ruled that the extra cent tax must be paid on all purchases, regardless of where the purchaser resides.

Should the attorney general rule that payment of the local tax is a gift of public funds, the city might be required to make all its purchases in San Mateo county or other areas where the one-cent levy has not been adopted.

BY REED ANDERSON

Our class has found some very interesting information about Indian sand painting in our study of early California. Some of our students have brought pictures to school illustrating much of this Indian art. We have quite a collection of the many kinds of shells which the California Indians used as tools.

We saw a film on finger-painting, which gave us some wonderful ideas. Our walls are covered with the finger-paintings done by our class. We think our room looks very nice.

FIFTH GRADE
BY EUGENIA MURPHY

Our class is studying about Williamsburg. In 1699 the capital of Virginia was moved from Jamestown to nearby Williamsburg, named after King William of England. For the next 80 years, Williamsburg was the colony's center of government, trade and social life. It was the most beautiful city in all the colony. Then, this lovely city was burnt, but was rebuilt by the colonists. Again it was destroyed by fire, but this time was abandoned and forgotten for many years. Then, in 1926, John D. Rockerfeller provided 62 million dollars for the restoration of Williamsburg. Old blueprints were found, and each and every building was erected exactly as they were in the 17th century. Today the city with its buildings, household furnishings and even the gardens are as they were in colonial days.

Card Party Hikes St. Martin's Fund For New Church

Another card party was held by the "Plan and Build Guild" of St. Martin's Episcopal church last Thursday evening at the home of Mr. and Mrs. Richard Phillips in Westlake.

Co-hostesses with Mrs. Phillips for the evening were Mrs. U. B. Kendree and Mrs. Walter F. Michels. Game of bridge, canasta and pinochle were enjoyed by the large group. Refreshments followed the card games.

The "Plan and Build Guild" is conducting a series of card parties for members to raise funds for construction of the new church, which will be erected at the intersection of Bradley avenue and Southgate avenues. Services are now being held at the Westlake auditorium, 333 Park Plaza drive.

Staggered Sessions At Woodrow Wilson

All first, second, and third grade children at Woodrow Wilson began the staggered day schedule Monday.

Last Tuesday afternoon the parents were invited to visit their child's classroom where the teacher reviewed what the children were doing and what they expected to accomplish by the end of the school year. The parents all gathered then in the multi-purpose room where Mrs. E. Hahn, principal, spoke about the importance of reading to the child and outlined the overall reading program in the school.

Under this new schedule, approximately one-half of the class attends school from 9 a.m. to 2 p.m. with the others attending from 10 a.m. to 3 p.m. This plan gives the teacher an opportunity to work for an hour in the morning and another hour in the afternoon with half of the class at a time in reading. In this manner the children are given more individual attention in this vital subject, according to school officials.

Colma Trojans Clobber M'brae On Passes, 25-6

Colma's Trojans unleashed a deadly passing attack last week to break into the win column with a 25-6 romp over the invading Millbrae gridders.

George Claus set up the first Trojan score by returning a punt to the Millbrae 2. Bruce Howard then hit Jim Lafrano for the tally. A few minutes later, taking over on an onside kick, Howard again connected to Hilton Gilory for six-points. The Howard-to-Lafrano combination clicked for 20 yards and the third Colma score.

The Trojans' final outburst came when Mike Seelig lateraled to Joe D'Antonio to cap a 55-yard punt return.

Colma hosted South City yesterday, hoping to settle a scoreless deadlock of a few weeks ago.

JEFF FIVES BEEF LOOP MARKS WITH SWEEP OVER CAPS

Mike Orlich's Jefferson lightweights ascended the league ladder last week with a pair of victories over Capuchino.

The improved 20's, spearheaded by Roy Reitz' 23 points, evened their slate at 2-2 with a 39-29 victory. The 10's, meanwhile, gained a three-way tie for second place via a 24-19 verdict. Gordy Tydingco, the loop's leading pointmaker, again led the way with 8 points. The 10's are 3-1 to date.

Orlich's quints invaded Half Moon Bay yesterday for another twin bill.

'CASH ONLY' THIEF DRAWS BLANK IN RAID ON RESIDENCE

A thief, apparently seeking only cash, ransacked a home at 16 Cottonwood drive late Friday night and wound up with nothing for his intrusion.

Mrs. John B. Gaston, reporting the break-in early Saturday morning when she and her husband returned home, said the culprit failed to take approximately $2000 in government bonds and two wrist watches which he uncovered by toppling drawers in three bedrooms. A check of her purse also revealed nothing was missing.

Police, believing the job done by a juvenile, reported the invader smashed a hole in a rear door window to enter the residence.

REDLEGS REMAIN UNDEFEATED VIA 10-1 LANDSLIDE

Unloading a 15-hit bombardment, Daly City's Redlegs remained supreme in the Class A National League Pennant chase last week by burying S. F. Parlor No. 49, 10-1.

Victory was the third for the locals without a loss, but the Redlegs are getting a bit concerned about runnerup Capitol Glass (2-0). The Glassmen stayed in contention with a 3-2 nod over Gino Benedetti's club.

Willie Winters and Rick Wayne shared mound chores in Saturday's rout, with the former declared the winner. Winters gave up five hits and a run in five frames, and Wayne wrapped it up with a two-hit job over the remaining four innings.

Catcher Ed Coleman was the big sticker with three singles. Getting two blows each were shortpatcher George Pedroni and outfielder Nick Sutter. Sutter's double and triple accounted for two rbi's. Nick is the leading Redleg batter after three games with a .643 average.

The Redlegs pushed across two tallies in the second inning, rallied for four more in the fourth, splurged for three in the seventh and added their final score in the eighth.

BRISBANERS CUT LEAGUE LEADER'S EDGE TO 1 GAME

Brisbane Market's keglers hacked McGahey & Olson's lead in the Daly City-Colma loop to one game Tuesday night by nudging Towne House, 2-1, at Brentwood Bowl, while the pace setters were split-decisioned by Donnellan Realty, 2-1.

San Pedro Lunch solidified its hold on the third spot with a 3-0 whitewash over Carlo's Pizzeria.

Stan Fowler of Paul's Flowers rolled high series with a 6-6 tally on games of 214, 181 and 221. Top singles was a 225 first game by E. Cool of Vince & Fred's. Paul's Flower's steamed past Westlake Homes, 2-1, while Vince & Fred's climbed a peg by blanking Edisco.

In a battle of meatmen, Thur Meats shut out Luce Meats, and split verdicts were chalked up by Daly City Cleaners over Carmona Chemical and Bank of America over Plaza Furniture.

Town House's William Watson and B. DeLucca went into this week's action sharing the top average thus far at 183 for 21 games.

Bold Ram Cagers Battle Unbeaten Bearcat Quintets

Westmoor's light weight cagers moved into the lion's pit yesterday afternoon (Thursday) when they challenged the unbeaten San Mateo fives on the Bearcat court.

Coach Byron Van Alstyne was hopeful in the ten's clash as his Rams are tied for second place with a 3-1 slate and "getting stronger" as they go. The second tilt, however, shaped up as a landslide, since Westmoor's twenties are winless and fighting to keep out of the basement.

The Ram ten's battered Burlingame last week, 37-22, after posting a comfortable 18-7 halftime margin. Guard Baker led the way with 10 points, followed by Dick Reese with 8.

The Panthers overwhelmed Westmoor's twenties with a 42-19 socking. At the intermission it was a lopsided 22-6. Ross Holmgren, with 12 points, was the lone effective Ram.

Koch Tells Plans For Evacuation

Where to go in event of an enemy attack was outlined this week by Harry Koch, county civil defense coordinator.

Daly City is included in the area designated as an evacuation zone—as is all county territory north of Ralston avenue.

Persons living in the Jefferson Elementary school district, east of Mission street, will evacuate to Encinal school in Menlo Park by way of Mission street, Bayshore highway, Marsh road and Middlefield road.

Those in the local elementary district residing west of Mission and east of Junipero Serra boulevard will travel to Encinal school by way of Mission, El Camino Real, Fifth avenue, Fair Oaks avenue and Watkins avenue or Encinal avenue.

Residents living in the Jefferson district west of Junipero Serra will go to Greersburg school in Woodside, by way of Skyline boulevard, Ralston avenue, Canada road and Woodside road.

Koch urged each person who might become an evacuee to study and remember the evacuation route he is to take and the reception point.

All of the southern portion of the county has been designated as a reception area, both for the north county and some 120,000 San Franciscans.

Merchants Defeat Moar's Cafeteria In Two-Hitter, 4-2

Allowing only two scratch singles, Leo Giannecchini pitched the Westlake Merchants to a 4-2 victory over Moar's Cafeteria Saturday at Marchbanks park. It was the second victory against one defeat for the merchants in Managers AAA play.

Moars' only two runs were unearned as left fielder Lefty Brown bobbled a fly ball in the sixth inning to set the stage for two cafeteria tallies.

Brown was the hero earlier in the contest, however, as he singled in the second frame to drive in Westlake's first two runs. Hitting safely in every inning for a total of 10 base hits, Jack Ingle's merchants tallied again in the fourth and eighth innings.

This Sunday Westlake takes on Gordon Realtors at Graham field, starting at 2 p.m.

The Westlake Merchants Juniors, competing in the Saturday league, see action this Saturday at Moar's Cafeteria, also at Graham field at 2 p.m.

Mattos-Weary McGrathmen Journey To Vallejo Tonight For 'Welcome' Exhibition Go

Blitzed out of the North PAL title chase by Hillsdale last week, Jefferson's luckless Indians settle down for a pressure-off exhibition tilt tonight (Friday) with the potent Vallejo Redskins across the bay. Kickoff is 8 o'clock.

Boss Joe McGrath, mind you, doesn't expect a breather, but after last Friday's licking triggered by Keith Mattos, this one is welcome relief. The Tribe has nothing to lose. And they're overripe for victory.

The Villain

If it wasn't for Mattos, a sure-shot candidate for league honors, Jeff might be right up with the contenders. But the versatile Knight junior hit full-throttle Friday and relegated the Indians to also-rans. It was the winless Tribe's second loop defeat and their third loss in four games. Burlingame held them to a scoreless tie in their lid-lifter.

Mattos was razor-sharp. He pitched for three touchdowns, scored one and set up all five Knight marches. His 7-for-15 aerial marksmanship accounted for 180 of Hillsdale's 292 total yards.

Rough Line

The Knight defenders matched their standout field general, holding Jeff to 57 yards on the ground. Jeff's only consolation was upstairs, with 7 hits in 22 tries for 115 yards and two touchdowns.

Hillsdale played a comfortable" game despite the rain, posting a 13-0 halftime lead and enjoying a 33-7 bulge until Jeff caught fire in the closing minutes.

Paul Tapia sparked the Indian uprising in the last quarter with payoff tosses to Lee Casentini and Sonny Martinez. The first outburst covered 63 yards in 9 plays. Bill Riedstra grabbed a Knight fumble on the enemy 26 following the kickoff to set up the final Indian tally. Tapia connected to Casentini for the extra point and the 33-20 finale.

First Thrust

Hillsdale opened the scoring early in the second quarter after Mattos hit Wayne Wallick and Jim Hollister for sizeable gains. Wallick made it 6-0 with a smash from the four.

After the ensuing kickoff Mattos grabbed a wild Tapia pass and scrambled back to the Jeff 19. Six plays later the gifted QB dove over from the 1. The conversion hiked the count to 13-0.

Mattos stepped up the tempo in the third quarter, firing a 36-yarder to Hollister again, who broke away from Ed Leveroni for 19-0. Again Parker converted.

Lee Unloads

Casentini perked up Indian hopes by taking the next kickoff on his own 30 and scooting all the way to the Hillsdale 12. Leveroni found the end zone on a third down play, and Tapia's dart to Leveroni narrowed the difference to 20-7.

But Mattos and mates weren't to be denied. Keith quickly engineered two long scoring drives, climaxed with a 54-yard toss to Hollister and a 27-yarder to Wallick.

Morose McGrath wasn't too hard on his troops. "After all," he reasoned, "what can you do when you're up against a guy like Mattos? I also think their line is about the best in the league."

The Jeff skipper had nice words for guard Riedstra, his all-league possibility, and liked the work of Leveroni and "steady" Casentini.

Busted Beak

On the darker side, halfback Dave Calloway suffered a broken nose and is out indefinitely. He joins end Tom Cloutier and tackle Jim Farley on the sick list. Cloutier, perhaps the best pass grabber in the circuit, has a bad knee. Farley's trouble is poison oak.

McGrath still has hopes, however. "At least we're scoring more points each game. That's a good sign," he reminded.

Next week the Indians engage hapless Carlmont. Then come awesome Capuchino and South City.

19-7 Setback To Carlmont Drops Wattmen In Cellar

Jefferson's late starting and injury-crippled Frosh-Sophs skidded into the North PAL basement last Thursday as Carlmont dealt them their fourth setback, 19-7.

The Scot yearlings wasted no time settling the issue, taking a 12-0 halftime lead and adding their final tally in the third quarter. Bob Watt's youngsters pushed across their lone tally in the closing minute on Jerry Kennedy's three-yard buck to cap a 65-yard march. The Indians roared back to the Scot 20 at the final gun.

Carlmont tallied on a 21-yard pass play (Kent Roberts to Bill Kutzer's three-yard plunge and a six-yard end sweep by Ron Gray.

Watt liked the "comeback" of his kids after the intermission and singled out tackles Bill Dixon and Bob Nielson, plus backfielders Pete Garcia, John Margaroni and Kennedy.

The Jeff eleven expected "the works" yesterday when they squared off against unconquered Capuchino down south. "We just hope to keep down the score," Watt previewed.

Mattos, Pusateri Get 'Player of Week' Nods

Quarterbacks Keith Mattos of Hillsdale and Jim Pusateri of Willow Glen have been named "Player of the Week" in their respective divisions for sparkling performances last Friday.

Mattos helped dynamite Jeff, 33-20 while Pusateri kept Willow Glen unbeaten in a 13-12 win over San Jose.

SETTING their sights on yesterday's big PAL meet at Stanford were members of Westmoor's varsity cross country squad. These boys finished dual meet competition in South City last week with a 1-5 record, while the Ram Frosh-Sophs placed second behind Carlmont in lightweight standings with a sparkling 5-1 slate. Listening to Coach Ernie Ribera's pointers are Ed Cyr, Phil Green, Rich Gomez, Mike Young, Phil Anderson, Jim Gustafson. Dave Dunbar and Larry Bennett. Anderson and Dunbar are frosh-soph standouts. THE RECORD photo

WESTMOOR CROSS-COUNTRYMEN EYE GLORY IN PAL SHOWDOWN MEET

Coach Ernie Ribera's Westmoor cross countrymen invaded Palo Alto yesterday afternoon (Thursday) for the Peninsula Athletic League championships at Stanford.

Losers to South City last week by a 24-31 count, the Ram varsity ended its baptismal season with a 1-5 record. Westmoor's yearlings, however, ended up with a superb 5-1 slate as they thumped the Warior frosh-sophs, 20-38. Only Carlmont posted a better mark than the Ram lightweights, so Ribera can look for a promising campaign next year.

Ribera's best bets in the PAL varsity scramble were consistent Jim Gustafson, Larry Bennett, Jerry Rosenberg, Phil Green and Rick Schweitzer. All conquering Carlmont, champs in both brackets, loomed the odds-on choice, while Jefferson's Andy Estigoy and Al Davila figured to be right up there.

Frosh-Soph-wise, Ribera expected all-out efforts from Dave Dunbar, his super soph, Phil Anderson and Rich Gomez.

Jefferson's varsity dominated Thursday's three-way affair in South City, dumping the Warriors 22-33 for the Tribe's fifth win in seven encounters. Again it was the same old story as Estigoy finished ahead of the pack in 11:06 and Davila was second in 11:30. Gary Romriell's third gave Jeff a clean sweep.

Ram Gustafson got up for sixth in 11:57, Bennett took eighth, while 11th, 12th and 13th went to Westmoor's Rosenberg, Green and Schweitzer.

Phil Anderson hit 12 flat in nabbing the 14-man frosh-soph event. Gomez was close on his heels in 12:16, Mike Young came in fourth and Ed Cyr captured fifth.

RAMBLING W'MOOR FROSH-SOPHS MIX WITH BURLINGAME

Westmoor's win-happy Frosh-Sophs, working on a two-game victory streak, hoped to extend their splurge yesterday afternoon (Thursday) when they tangled with Burlingame's yearlings.

The Panthers were 3-1 to date, and a Ram triumph would put Rod Losberger's crew high up the North PAL ladder behind front-running Capuchino.

Losberger's lads evened the books at 2-2 by tripping South City last week, 12-7. They did it the hard way, overcoming a stubborn Warrior defense and a 7-6 halftime deficit.

The Rams sealed the verdict on Jim Heick's 25-yard toss to Ed Dowdall in the closing minutes. Westmoor covered 50 yards in the march, set up when end Mike Deal caught a pass for a first down to start the Rams rolling.

The Losbergers opened the scoring in the first quarter on Gary Hall's 2-yard buck ending a 45-yard pass play from Heick to Mark Fledderjohn highlighted the maneuver.

On the ensuing kickoff South City tied the count and went ahead as Mickey Corso scampered 75 yards on the runback.

Losberger sprinkled praise on defenders Jim Blakemore, Bill Ellison and freshman Leonard Gumm, whose linebacking left little to be desired. Heick, the coach said, "continued to improve as a good passer."

Indian Harriers Trip South City For 4-2 Record

Jefferson's talented cross country varsity finished its dual meet season with a 4-2 record last week by downing South City, 23-33, in a three-way affair involving Westmoor.

The Indians registered a clean sweep in the 15-man field as sparking Andy Estigoy won the race in 11:06. Al Davila was next in 11:30, and Gary Romriell came in third.

Estigoy's triumph was his fifth of the year and made him the top contender against Carlmont's Tom Jent in the PAL finals yesterday at Palo Alto. Other strong Indians entered in yesterday's showdown were Dan Anderson and Bud Pollard.

Handicapped by the lack of a coach, Jeff's squad traveled with Westmoor's harriers to all dual meets but competed unofficially. Ram Coach Ernie Ribera aided their progress with some timely pointers.

Carlmont's cross countrymen won dual meet titles in both divisions. San Mateo was second in varsity standings, while Westmoor's Frosh-Sophs were runnerup in the lightweight bracket.

Jim Honeywell Shines In Stanford Frosh Win

Ex-Jeff standout Jim Honeywell paced Stanford's powerful freshman eleven to a 36-13 romp over the USC yearlings Saturday at Palo Alto.

A 200-pound fullback, Honeywell consumed considerable yardage in all five Indian touchdown drives. He is rated a top prospect for Chuck Taylor's varsity next year.

Jim made All-PAL last season as a split-T quarterback under Coach Joe McGrath at Jefferson.

DUFFY'S TAVERN TO TANGLE HERE TWICE

Lowell Creighton's Duffy Tavern nine resumes the baseball wars this weekend with games on tap Saturday and Sunday.

Saturday the youngsters play host to Johnny Shells at Marchbanks park, starting at 11 a.m.

The sabbath game will find the locals staying at home again for a contest with Larry Barret Tires, also at 11 a.m.

RAM 11 IMPROVES BUT STUMBLES AGAIN, 19-6

Improving with each game and cocksure their first victory is just around the corner, Coach Dutch Meyer's Westmoor varsitymen receipted for their fourth straight loss last week against South City's jayvees, 19-6.

"It wasn't so bad, at all," enthused Dutch, "because we actually outplayed 'em in the second half after they took a 19-0 intermission lead."

"The boys played their best so far, and I think we're about set to turn in four good quarters of football," he concluded.

South City's margin in the first half was helped along by three aborted Ram drives. Westmoor was stopped via fumbles, or it would have been a lot closer.

Larry Harper's tossing and some fine snags by wing Sid Swanson set up the Ram tally on a 65-yard drive in the third quarter. Harper capped it with a plunge. Rest of the game found South City twarted by a determined Westmoor forward wall.

Besides Harper and Swanson, Meyer singled out scatback Leo Wyreck, flanker Carby West, tackle Jim Lansing and guard Paul Giorni. The latter has been a standout all season. Lansing, incidentally, is nursing a bad elbow.

Friday's game with Riordan's JV's has been cancelled, Meyer noted. The Rams were slated to scrimmage South City's varsity Wednesday afternoon, but rain made the encounter doubtful at press time.

Perry Davis Nabs Colma 'Hole-In-One'

Driving a ball to within a half-inch of the cup the last day of the event, San Franciscan Perry Davis, 312 Sanchez street, last week captured top honors in the "Hole-In-One" tourney at Colma Driving Range.

Davis' near bullseye earned him first prize of $300 golf set, complete with bag.

Second was Edward Dennis, 156 Mateo avenue, who put one 3½ inches away and was awarded a $100 merchandise order from Westlake Market. Close on his heels with a 4-inch miss was Jim M. Grim Jr., 2435 Trenton drive in San Bruno, pocketing a $60 merchandise order courtesy Westlake Lounge. Fourth prize of a $50 merchandise order from King's Market went to Tommy Belli, 985 Donald avenue in Sonoma. He was 7 inches away from the jackpot.

Sponsored by Marian Council No. 3773, Knights of Columbus, the tourney attracted more than 1000 golfers and 15 groups, according to Chairman Andrew Parodi.

"This was the biggest and most successful Hole-In-One we've staged, and we thank all those who participated," he remarked.

GRAND JURY and CIVIL SERVICE COMMISSIONERS*

Recommend County Charter Amendments

How Would You Vote on These Questions?

	YES	NO
1. Would you follow the recommendation of the San Mateo County Grand Jury which strongly favors passage of the proposed charter amendments rather than the demands of special interest groups?	(X)	( )
2. Do you believe that an appointive body like the Civil Service Commission, which can now make rules superior to the elected Board of Supervisors, should have some restrictions?	(X)	( )
3. Amendments "A" and "B" do not permit the Board of Supervisors to bypass the Civil Service Commission, but they do provide the Board with an appropriate review level. Would you favor that control to rest with your ELECTED representatives?	(X)	( )
4. Do you agree with the California Taxpayers' Assn. which says in a county government where over $7,000,000 in expenditures is for payment of salaries, it is essential that responsible ELECTED representatives of the voters retain final authority as is the case in every county of the State?	(X)	( )
5. Do you believe the ELECTED Board of Supervisors should have the opportunity to consider, prior to adoption, the possible effect of civil service rules upon the total county government?	(X)	( )
6. Do you want responsible government (responsible to the people) as against bureaucratic government (a Civil Service Commission responsible to none of the voters)?	(X)	( )
7. Would you favor these amendments if the procedure for establishing salary scales would likewise improve and give greater efficiency to our county government as stated and approved by the 1956 Grand Jury?	(X)	( )

Five JUHS Delegates Attend Leaders' Meet

Five representatives of the Jefferson Union High School district attended the 15th annual "Leaders' Conference" sponsored by the California Teachers' Association Bay Section last weekend at Asilomar.

More than 600 delegates attended and participated in morning and afternoon workshop groups.

JUHS district reprfesentatives were Marjorie Reandeau, presiding vice president of the CTABA section; Elman Rose, finance workshop reporter; Louis Martin, workshop leader; Ada Wood and Angela Bellante.

BOOK ROUNDUP DEADLINE IS EXTENDED HERE

Although Friends of the Library's big Book Roundup officially is scheduled to end this Saturday, books will continue to be accepted after that date, according to Mrs. Robert Woods, club president.

"Thus far," Mrs. Woods enthused, "the response has been very fine, and we already have many fine books for the library serving Daly City and Broadmoor."

Local residents may leave books at J. C. Penney's in Westlake, Fire Station No. 2 at 499 Santa Barbara avenue, Fire Station No. 3 on Lake Merced boulevard and the PG&E office at 12 Wellington avenue. Local PTA's also are collecting books today through Saturday. When the roundup has been completed, the First Western Bank in Westlake will hold the books until they can be sorted and catalogued.

In addition to these collection points, Mrs. Woods reminded that arrangements have been made to pick up books. Anyone wishing to contribute should call any of the following numbers: Mrs. Woods, PL 5-6893; Mrs. S. V. Wilson, PL 5-5415; Mrs. Howard Stites, PL 5-5094; Mrs. Thomas E. Special Officer Sentenced For Drunk Driving

David McDowell, 56, a special police officer from San Francisco, was given a choice of 30 days in county jail or $250 fine Tuesday in municipal court after pleading guilty to drunk driving here October 20.

Additional charges of hit-and-run, driving without due caution, and failure to notify on change of address were dismissed by Judge Thomas L. Bocci, who also recommended no suspension of McDowell's license.

The special officer was booked by local police after his vehicle rammed two others on Northgate avenue and Alemany boulevard.

Sentenced to 10 days in county jail or $50 fines following drunk arrests were David Prince, 121 Westgate drive, and Joe Galvin, 546 Shotwell street, both of San Francisco. Galvin was booked here October 19 and Prince two days later.

Anthony Holmes, unemployed youth living at Dunbar Hotel in San Francisco, pleaded guilty to charges of breaking into an auto and vagrancy at a local used car lot September 27. He was sentenced to six months in county jail, 90 days of which was suspended on the condition he be placed on probation for a year, during which time he must remain out of San Mateo county.

California and Nevada have about 95 per cent of the earthquakes in the United States.

More than 70 per cent of Indonesia's working population is engaged in agrarian pursuits.

Listed as giving blood for the second time were Clarence E. Lain and Phillip La Bruzzo.

First time donors were Mr. and Mrs. Orville Helgeson, Mrs. Jack Winters, Charles L. Terry, Mrs. M. W. Benedetti, Stephen F. Steen and Stanley Malman.

TO THE VOTERS OF NORTHERN SAN MATEO COUNTY:

The AFL-CIO Committee on Political Education of San Mateo County, representing the large majority of organized labor in the county, is greatly disturbed by the irresponsible claims and baseless innuendos contained in a brochure recently mailed to the voters of the 25th Assembly District by Louis P. Francis, the Republican candidate for assemblyman.

Mr. Francis' statements concerning labor are completely false, as are many of the other statements in Mr. Francis' brochure.

The facts are these:

Both Howard Hartley, the Democratic nominee for 25th District Assemblyman, and Mr. Francis sought the support and endorsement of the Committee on Political Education of San Mateo County and the California Labor League for Political Education. Both candidates appeared at a regular meeting of the COPE, made their presentations and answered questions of members of the committee.

After careful consideration, the committee recommended the endorsement of Mr. Hartley to the LLPE, which accepted that recommendation and endorsed Mr. Hartley for the primary election. This endorsement subsequently was reaffirmed by the LLPE at its pre-general election convention held September 14 in San Francisco, acting in its capacity as the official political vehicle of the California State Federation of Labor.

The recommendation of the COPE was not made blindly, but after careful consideration of the records of both candidates, as required by the by-laws of the COPE; which provide that no candidate will be heard or any recommendation made unless all candidates are given equal opportunity to present their case. The by-laws also require the approval of at least a two-thirds majority of the committee for recommendation of a candidate.

The AFL-CIO Committee on Political Education of San Mateo County unanimously reaffirmed its support of Howard Hartley for 25th District Assemblyman at a regular meeting on Monday, October 29, and strongly urges his election as a man of honor, integrity and ability, whom all of the citizens of the 25th Assembly District can trust as their representative in Sacramento.

Long, lean, and packed with punch, the new Ford Fairlane 500 is actually larger than many medium-priced cars . . . and it's offered at low Ford prices!

What's new in the new kind of Ford

Custom and Custom 300

Fairlane and Fairlane 500

NEW choice of sizes. These '57 Fords make "big" a low-priced word. The new Ford Custom and the Custom 300 are lower, wider, than any Ford before and over *16 feet long*. The Fairlane and Fairlane 500 are even lower and longer . . . over *17 feet long!* Ford is the only car in the low-price field that comes in two sizes. You'll find them all only roof high to a parking meter . . . and they're as easy to get in and out of as putting the coin in the meter slot! There are 20 beautiful new models to choose from.

NEW outsweep chassis design cradles passengers in a new kind of way for a leveler, smoother ride. It's a completely new chassis idea wherein the frame flares out so that the floor of the rear seat compartment is *inside* the frame girders. There's more inside room than ever. And there's full road clearance under the heavier frame.

NEW forward-hinged hood—and new engines to go under it! There's a mighty Silver Anniversary V-8 to fit every horsepower need. And there's more power and economy in the new Mileage Maker Six!

NEW hardtop styling. Fairlane and Fairlane 500 sedans have strong, thin center pillars concealed by window frames. With doors closed, you can hardly tell these sedans from hardtops.

NEW low-sweep station wagon roof line. All five of Ford's new station wagons have even more of the beauty and love-for-duty that has made Ford America's favorite wagon. There are three with four doors, two with two doors . . . seating room for up to nine.

NEW endurance and performance. In the most exhaustive test ever given an automobile, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph—*including all pit stops!*

NEW wider wrap-around rear opening. A completely new liftgate provides greater vision, easier loading. In length and width there's enough room to load a 9-foot boat.

SAFETY NEWS

PAINFUL PROGRESS

In 1930, about the time the automobile age really began to roll, two out of five traffic accident fatalities were pedestrians. Now, it is only about one out of five.

In other words, in 25 years, pedestrian deaths have dropped from about 40 per cent of our national traffic toll to a little over 20 per cent.

That would suggest we are making progress in pedestrian protection, and undoubtedly we are. Ceaseless education, better street lighting, walk-wait traffic lights—these are some of the things that have brought improvement. Gains have been made despite the fact that protection of drivers in our total population is much greater than it was 25 years ago.

Despite such favorable influences, 8,400 pedestrians died on streets and highways last year. Progress is slow and painful—to the pedestrian. Often very painful!

National Safety Council figures show that pedestrian traffic victims are most often persons who have never driven a car, and consequently have less understanding of distance, speed, lighting, stopping ability—the limitations of the man behind the wheel.

We need to push every physical protection for the pedestrian—lighting, street and signal engineering. Most of all, we need to teach the common sense of sharing the earth and the paths man has built across it. The horn-honking and fist-shaking conflict one observes on almost any street corner is senseless.

The motorist has a great obligation imposed not only by law but by the sobering realization that his steel armor will always win over yield flesh.

The pedestrian must surrender some of his heritage of walking where and as he chooses. The man on foot and the man on wheels must learn to live together in a spirit of courtesy and fair play.

DARING RESCUE SPARES STRANDED DALY CITY PAIR NEAR MUSSEL ROCK

Two stranded Westlake salesmen were saved from disaster in a daring rescue near Mussel Rock Sunday night by Sharp Park firemen.

Rescued from a steep cliff after being trapped on the beach by onrushing waves were George Hunt, 25, and Dave Cutler, 27, both of 120 Lynnewood drive. The men were engaged in target practice before the trouble started.

The pair was brought safety after a four-hour ordeal as four firemen secured a lifeline and waded through waist-deep water to climb the cliff but were unable to go higher after ascending some 70 feet.

Worried over her husband's "long-overdue" return about 7 p.m., Mrs. Hunt drove to Mussel Rock and found the men's car. Fearing they were stranded, she summoned Sharp Park authorities.

Deputies Robert Hartnett and B. A. Trundle descended part way down the cliff and talked to the stranded pair, but were unable to see them. Meanwhile, firemen, paced by "lead man" Jack Harris, swiftly performed the risky rescue. Both Hunt and Cutler escaped without injury.

In on the rescue were Inspector Dan Lynch, Acting Chief Ed Greer, John Cristick, Joe Pallavicini, Ray Offenbach, Ed Girdler, Lloyd Easterby and Russ Yorks.

WIA Dues Trial Resumes Nov. 15 In Night Session

The Westlake Improvement association dues trial will resume again November 15—this time at night.

The case, now dragging in to its second year, faced further delays because of a crowded calendar in northern district municipal court. So both sides agreed to the night session, which will start at 7:30 o'clock before Judge J. A. Branson, substituting for Judge Thomas L. Bocci.

The association is suing six homeowners for $28 back dues, plus $500 each in attorney's fees. The property owners group maintains membership in the association is stipulated in the original property deed.

Allan Shapiro, attorney for the defendants, is expected to argue at the November 15 session that the association cannot enforce payments because it maintains two classes of membership—voluntary and compulsory.

At the outset of the trial a month ago the plaintiffs testified against the first of the defendants, Mr. and Mrs. Richard Opperman.

Nab 11 Juveniles On Curfew Counts

Broadmoor police enforced the county loitering curfew of 10 p.m. over the weekend and arrested nine boys and two girls for being out after hours.

Police Chief Ray Savage, who ordered the move to combat recent juvenile acts, said that four of the youths picked up about 1:30 a.m. Sunday on El Camino Real were parolees of the California Youth authority.

The ban proved effective at local drive-ins, however, Savage said, where numerous juveniles had violated the ordinance in the past.

All 11 juveniles nabbed over the weekend were released to the custody of their parents, Savage revealed.

Defense argument is scheduled for the next session.

Should the defense argument be completed for Opperman, the next set of defendants, Mr. and Mrs. E. C. McAlpen, may come up for trial the same night.

Local Scouts Push 'Get Out The Vote'

Every home in Northern California will receive a voting reminder Saturday from a local Cub Scout, Boy Scout or Explorer.

Thousands will distribute Liberty Bell doorknob hangers carrying the slogan: "Heed youth's call. Vote as you think, but vote November 6."

The nonpartisan campaign is part of a nationwide drive to urge more citizens to go to the polls. It is conducted in cooperation with the Freedom Foundation, Inc., of Valley Forge.

In addition, a bureau set up by the San Francisco Council, Boy Scouts of America, is supplying young speakers to more than 30 civic and business clubs, to encourage their membership to vote.

Lake Merced District boys participating will be Paul Accampo, 141 San Benito way, Troop 88; Ralph Boomer, 730 Santiago street, Troop 143; Robert Dickinson, 35 DeSoto street, Troop 345; Gordon Gould, 704 Junipero Serra boulevard, Troop 345 Mike Kerson, 40 Santa Ana, Troop 36; Robert Manion, 245 Dorantes avenue, Troop 88, and David Schiller, 165 Meadowbrook drive, Troop 345.

Thief Cops 2 Cameras In $165 Local Raid

A thief ransacked a home at 14 Muirwood drive late Friday and made off with approximately $165 in camera equipment after giving the premises a thorough ransacking.

Victim was Shirl W. Mollette, a retired railroad worker, who was summoned home when a neighbor noticed the front door of the residence open.

Police said the thief failed in his efforts to break the lock on the rear door, but entered by breaking the back door window. The culprit then emptied dresser drawers in three bedrooms and dumped a breadbox from the kitchen in the main floor bedroom.

Missing was a 35 mm camera and carrying case, a Kodak folding camera, an exposure meter and a bottle of perfume.

Vandals Splash Home With Ink-Filled Eggs

Vandals, believed to be juveniles, continued to give local police "a pain in the neck" Friday night as they splattered the front of a home at 1003 South Mayfair avenue with ink-filled eggs.

Homer Alcorn, a postal inspector, told police he discovered the mess upon returning home after a two-hour absence. Before the indent, Alcorn said he saw three juveniles lingering in the garage of a nearby residence. Police questioned one youngster at the address, but were unsuccessful in finding the culprits.

BROADMOOR POLICE BOOK 2 'IMBIBERS'

Broadmoor police booked two imbibers for being drunk in and about a car at Junipero Serra boulevard and Pierce street early Sunday morning, according to Chief Ray Savage.

Arrested were Eddie Blocker, 42, a stable hand of Route I, Box 514 in Colma, and Carl Bagley, 31, a laborer of 227 Sadowa street in San Francisco.

Both men posted $50 cash bail and are scheduled to appear in municipal court next Thursday morning.

Westlake PTA To Hear Report On Teacher-Training Program

A survey report on the teacher-training program now being used in both the Olympia and Westlake schools will be given by Dr. Walcott Beatty and Dr. Jerome Disque of San Francisco State College at tomorrow's meeting (Thursday) of Westlake PTA. The meeting will be held in the multi-use room of Westlake school, and is scheduled to start at 7:45 p.m.

This program provides that future teachers, now studying at S. F. State College, attend classes at both schools as observers, according to Mrs. John Yambert, program chairman. "It will be interesting to hear the opinion of these distinguished educators as to whether actual classroom observing is helping develop better teachers," she says, "and I urge parents not to miss this meeting."

On Success Story, November 8, over KGO-TV, channel 7, at 7 p.m., the Parent-Teacher story will be told, according to Mrs. Robert Avis, recreation chairman. For those who don't have a clear understanding of the aims of PTA, this program will answer some questions, she states. Mrs. Avis also is serving as one of the judges tonight at the Halloween parade being given by the WIA on the mall.

To support the book drive recently launched by the Friends of the Library, Mrs. Walter Baker, library and home reading chairman, and her committee, have arranged that a large box be placed near the office of the principal at both Olympia and Westlake schools. Children may deposit books here in the morning or at noon that they and their family wish to donate to the library. "We plan on making two pickups a day and will deposit the books at J. C. Penney's in Westlake as they have kindly offered us the use of their window for this purpose," she says.

"To our members who were not present at our last meeting, I wish to point out that the unit voted to support 'Toys for Tots' sponsored by the Marine Corps again this year, also the mothers' March of Dimes, so you will all be prepared when the dates are announced," reminds Mrs. Woodrow Leavick, Westlake PTA president.

BEFUDDLED but still bemused after a monkey apparently "fell out of the sky" and wrecked her clothesline Friday is Mrs. Robert L. Swanson, 723 Stoneyford drive in Broadmoor. Local police and the Civil Aeronautics Authority remain in the dark about the matter. One thing for sure, the 30-year-old housewife needs a new clothesline as the primate's supposed plunge broke both 4 by 4's in the death dive.
THE RECORD photo

B'moor 'Monkey-Business'

Broadmoor's now-famous "Mystery of The Monkey" deepened today as local police and the Civil Aeronautics Authority still have no explanation of last Friday's dilemna.

Seems the whole puzzle started early that morning when Mrs. Robert L. Swanson, 723 Stoneyford drive, discovered a dead monkey in her backyard.

'I was eating breakfast at the time," she recalled, "and I noticed out the window that both my clothesline poles (4 by 4's) were broken. When I investigated, what did I find but a tiny monkey lying on the ground. Some of his fur was on the clothesline, so I figure he must have dropped from a plane, somehow or other."

Gendarmes Arrive

Broadmoor Police Chief Ray Savage and Patrolman George Carleton then arrived on the scene. Considering that the Swansons have nothing in back of their property, the gendarmes agreed that "the little fellow must have come from the sky."

Savage notified the SPCA and they hustled the five-pound monkeys' body off to Coyote Point for an autopsy. Shortly thereafter CAA investigator Joseph Markovic arrived from Mills Field to investigate the monkey-business. He, too, was at a loss for a solution.

The autopsy seemed to justify the air drop theory and the SPCA speculated that the primate may have died of heart failure en route to his destruction. But surprisingly the creature's body was not too badly mangled. And to add to the confusion, a check with local airlines failed to turn up any reports of recent airborne monkey shipments.

PAA Says 'No'

Pan merican, which specializes in carrying animals aboard its Pacific Clippers, was quick to deny any responsibility. Robert Kincaide, PAA spokesman, indicated that the airline had not flown any monkey cargoes into this country since Wednesday.

"How can we be responsible if this monkey was supposed to have fallen late Thursday or early Friday?" he asked.

Kincaide opined that even if the monkey was on a PAA Clipper, "it couldn't possibly have gotten out." He said that Pan American regularly flys Rhesus monkeys here from the Philippines for experimental work on polio. But all these are padlocked in wire cages, sealed behind pressurized doors in the cargo compartment, he reminded.

Even if they do get out of this area, "Kincaide concluded," the main section of the plane is pressure sealed for high altitude flying.

Right now the doubts continue. Was the monkey a hitchhiker? Did he fall or was he pushed? Whence did he come?

Only one thing is certain. Mrs. Swanson needs a new clothesline.

Otherwise, the old saying, "monkeys are the craziest people," would seem to be appropos.

Sports Car 'Addict' Makes Huge Haul At Local Repair Shop

A sports car "bug" broke into McKim's Auto Repair Shop, 3348 San Jose avenue, last weekend and escaped with $123.50 worth of tools and metal-working equipment.

Carrol McKim, the owner, reported the loss Sunday night and said the culprit apaprently entered the garage by squeezing thru a larger blower fan on the roof of the building. The invader made his getaway by removing a wooden bar on the inside rear door, police said.

McKim believes the thief must have been a foreign car enthusiast since all equipment taken was used on sports cars. Lost were 40 sockets, 15 end wrenches, a ratchet wrench and an electric drill.

The bride is the daughter of Daly City Police Lieutenant and Mrs. Roy Beecher of 144 School street. She was graduated from Jefferson Union High school last June and is now employed with the Pacific Telephone and Telegraph company.

Her husband, son of Mr. and Mrs. Roy Hogsett of Redwood City, also attended Jeff before finishing his education at Sequoia Union High school.

For her wedding, the bride chose a white lace princess style gown, fashioned with a chapel train, a lace jacket and fingertip sleeves. Her short net veil was held by a seed pearl crown, and she carried a bouquet of white orchids and lilies of the valley.

Miss Judy Beecher served as her sister's maid of honor. Her ballerina length gown was fashioned of turquoise blue net. A small satin and net cap of a matching shade crowned her head, and she carried a bouquet of pink carnations.

Performing best man duties was Ronald Midtlie of San Mateo.

Giving his daughter's hand in marriage was Lieutenant Beecher, while Pastor Orville Martin performed the rites.

Reception for about 100 persons followed at the home of the bride's parents.

Receiving guests, Mrs. Beecher was dressed in an orange silk print sheath, complimented by a beige linen coat and orange accessories. Her autumn corsage was fashioned of carnations.

The senior Mrs. Hogsett chose a light blue nylon dress with matching jacket. White accessories and a white orchid corsage completed her ensemble.

Leaving the reception, the bride donned a navy blue suit and pink accessories.

The young couple are now making their home in Redwood City.

Village Notes

By Gwin Mitchell

PL 5-0679

In order to keep things balanced properly, we would like to report a Republican gathering last week where we reported a Democratic one the week before, i.e.; Aves Pattison, Larchmont, hostessed a "coffee" where local citizens were able to meet J. Arthur Younger, Richard Dolwig and Louis Francis. Guests included Vivian Sigler, Irene Bell and her mother, Mrs. Bell, Eleain Fratas, Benedetta Kostevich, Rev. Louis Marting, Grace Marting, Yolanda Bram and Sue Callaghan.

We still don't know why slumber parties are so named—everyone eats, talks, plays records, eats, goes to the movies, talks, eats, etc., and no one ever seems to get to sleep! Consequently, we were pleasantly surprised when Ann Schweitzer of Sweetwood reported that she gave such a party and that the guests actually did get some sleep, even though all five slept on the floor in one room. Ann and her guests—Judy Krueger, Joyce Bair, Mary Fisher and Rosemary Marshall—met at her home for dinner, took in the show at the Serra, came home and talked till the wee small, slept slightly and got up for breakfast with more plans ahead for the day. Judy, Rosemary and Ann met Linda Masterson and Carol Weibel and other members of their Job's Daughters group, and went on a bicycle trip to Golden Gate Park. Such energy! We also heard that Doris (Mrs. Raymond) Hunt went too, as chaperone. We applaud her fortitude!

Most pleased to report more new members of the Village tribes. Robert Dale Heskett arrived to keep brothers Edward and Allen company at their home on Beechwood, and parents Ivor and Nellie are justly proud. The young man in question is proud too; he weighed a kingly 9 lbs., 15 oz. . . . The distaff side has a new representative in Shirley Ann Ellison, a 6 lb., 2 oz. miss who is the apple of her family's eye. Family lives on Gilman, and consists of parents Roy and Takako and brother Raymond.

Did You Know?

In Case You Didn't Know: Lisa Cullen of Larchmont was 1 year old recently. Hope she had a happy day. . . . Dot Hazen came by the other day on her way back to Millbrae from SF; she says things down there are fine, and the whole family likes it. They miss all their friends up here, but have met a lot of Villagers who are relocated down there too. . . . Larchmont's Pattison family is building a mountain cabin up in the Tahoe National Forest, near Sierra City.

. . . Other Larchmonters, Ted and Elaine Fratas, have just finished giving their home a terrific two-tone brown paint job. . . . Who hung the Broadmoor Community Center sign on the White Street-87th sign? A good idea, for identificatio npurposes, but it needs more tying, being very wobbly. . . . The stucco (or whatever it is) is on the outside of the gym building (or whatever it is) at Ben Franklin school; progress shows almost daily over that way. . . . Have you seen the new trash can by the vacant lot on Washington-87th corner—and trash still on the ground? Teh, tch! . . . The trees are getting pruned again; our small girl says they look like cakes. Come to think of it, they do! . . . If it's a ham dinner you're wanting, and a good one, too, then come and enjoy one on Friday, November 2. That's the night Foothill's Mabs Guz will earn one of her many campaign ribbons for service beyond the call of duty in the kitchen at the Broadmoor Presbyterian church. Mabs is in charge of the dinner platoon of the Women's Association. She will be assisted by Sgt. Mary Lichtenberg and Cpl. Fran Dethlefsen!

Friend of the Week

For all that we have received many nice remarks about this Weekly Effort, it is still too seldom that anyone calls in with a news item, and very often we must go a-searching by phone for many an hour for the things you have been doing in the Villages during the week past. Thus you can understand why we name Barbara Thomas our Friend of the Week (an award also earned by Avis Pattison!) for calling up to tell about her trip to Acapulco. She and Tom treated themselves to a week at this most swish resort as a tenth wedding anniversary celebration, and they went fishing and night clubbing and Tom learned to water ski and things were wonderful from start to finish. They stayed at the El Mirador, one of the older hotels, with a genuine Spanish atmosphere, and they didn't see an American paper or hear an American radio all week. In fact, another guest, who was intensely interested in the World Series, had to call Mexico City for the scores! One of the highlights of the stay for Barbara and Tom was the spectacular high diver featured at the night club owned by Ted Stauffer.

Two birthdays on the agenda this week: Miss Ralpha Box of Maddux drive is now officially 10 years old. She marked the event with a luncheon-and-show party for some of her friends from Our Lady of Mercy school. Susan Helmer, Lynn Cookson, Susan Wilson, Claudia Davenport and Kathleen Bertalani were the guests, "The King and I" was the show, and Ralpha was a happy birthday girl. . . . Second of the birthdays belongs to Douglas High, who is now 6 years old. Douglas lives on Larchmont, and had a thoroughly enjoyable party, with Jack Pattison, Danny and Laurie Cullen, Linda Bram, Wesley McCann, Johnny Chamarro and Elissa Raeser as guests. Time hurries so; we can remember Douglas, just a brand-new three, coming to nursery Sunday school.

Busiest Man

Bob Fernekes wins our choice for the Busiest Man in Town. The light burns late in that Village Lane household many a night, where, in addition to a lot of other responsibilities, Bob takes care of the 1001 things contingent to being Tallykeeper of the San Francisco Longhouse of the Indian Guides. This is a YMCA-sponsored father-and-son group, with two nations, the Deer and the Bear, under the Longhouse, and each nation in turn being divided into 11 or 12 tribes. Lots of Villagers are Indian Guides families, and they enjoy it a great deal, since there are projects and fun days for each tribe to plan on its own, plus meetings at the various homes and at the Y in Stonestown.

One outstanding project which the Longhouse has launched is a program of qualifying the boys for the Junior Rifle Association by having regular instruction and practice with rifles under the direction of Col. Ashley, who spent 20 years as an Army rifle instructor before his retirement. Another project is a series of family life education talks, given by Dr. Richard Koch, one of the leaders in this field, and also the Chief of the SF Longhouse. This series is open to the public, with Nov. 5 and Nov. 19 as the final two lecture evenings at the Stonestown Y.

Righ now Bob Fernekes is busy helping the Bear Nation plan its father-and-son fun night for Nov. 16, an dthe Deer Nation plan one for Nov. 30; these meetings will serve to welcome new members, exchange ideas among tribes, and reactivate the father-son relationship which is the basis for the Indian Guides. To date, there are about 240 fathers and 300 sons in the Longhouse, with about 40% in the Colma-Daly City area. We've seen this group at work first-hand, and think it excellent.

Dance Recital

Something special on the list for Claire Liska of Larchmont, Berta Macklin of Village Lane, Addie Mattison of Sweetwood, and Peg Elliott and Bettie Cheda of Bradley was the Dick Ford Dance recital at the Veterans' Auditorium. Everybody came home after having thoroughly enjoyed themselves watching some superb dancing, enhanced with music, mood and color.

The reception afterward was held at the home of Mrs. Rhoda Kellogg of the Golden Gate Kindergarten Association, a house made interesting and beautiful by the many designs, finger-paintings and pictures drawn by young children. Right then and there we decided that a good Christmas present might be one of a child's school drawings, etc., matted and framed. What comes home from school in a welter of other papers and notices might turn out to be a very well done bit of art.

Harking Back

Quite a while ago, we mentioned that Irene Chessman had given us a lot of old Broadmoor papers to look through, with a sort of harking-back paragraph now and then. Time for one now, we think: back in September, 1947, Mari Gene Kassow had a column about doings in the Village, and big item at the time was a barn dance to be held in the Community Center. Names mentioned as workers included Janet Edler, Lee Johnson, and Eileen DeBernardi.

In December of that same year, a "mother-in-law convention" was held in Sweetwood-90th area, MILs from three western states all visiting here at the same time; highlight of the time was a party; families concerned primarily with the convention were the Dick Keefes, Ray Logans and Bud Sybrants. Remember? . . . In April, 1947, erosion and street lights were problems to be dealt with. . . . In May, 1947, talk was of trying to run a small bus line to connect with the M car line . . . and initial plans for the GV School were to be discussed. . . . Also in May, we came across a letter to the editor sort of thing, written way back when all sorts of problems of and for the Villages had to be dealt with; we'd like to quote a bit, because it's still applicable: ". . . sure your back yard counts, your fence is important, but more important right now are those items for the good of all. So be at the next (Property Owners) meeting, express your ideas, become an active member of some committee, contribute something to make this a better place to live, and don't gripe until you can honestly say, 'I've done my bit' " . . . PTA talk started in May that year and a meeting was scheduled for June. . . . That same June school enrollment figures were approximated at 530 elementary children from the Broadmoor area, and an enrollment from the Doelger tract of 380. How times have changed!

from a

San Francisco Chronicle Editorial

October 28, 1956

• • • • It ought now to be apparent tha this inept and battered project (the "Southern" Crossing) will not do.

• • • • It's financial feasability ($400 million) has now been questioned.

• • • • It cannot be financed, in even its abbreviated, approachless version without raising the toll above 25 cents.

• • • • The bill was amended out of its original shape to fit questionable political considerations.

• • • • It is curious to note the stubborn insistence of (the present Assemblyman) of San Mateo.

• • • • The Assemblyman's attitude, probably an emotional one traceable to pride of authorship, is entirely out of harmony with the facts, and the interests of the Bay Area—PARTICULARLY OF HIS OWN CONSTITUENCY.

AFTER CENSORSHIP...

This is one of a thousand billboards censored with strips of white paper to blot out the words "monopoly" and "you."

On October 10, Standard Oil Company—a principal backer of Proposition No. 4—wrote a letter to California outdoor advertising companies objecting to the word "monopoly" in poster copy submitted by opponents of Proposition No. 4. The next day six companies refused to permit the words "MONOPOLY" or "YOU" on the posters. Six other companies —small independents—refused to be pushed around by Standard Oil and posted the original copy. Today, throughout California, these butchered billboards stand as shameful witnesses to Standard Oil's might. They prove that—WHAT STANDARD WANTS, STANDARD GETS—*UNTIL NOW!*
